Awesome Design

The 6.6" super AMOLED 120 Hz screen display offers superb quality, helps you create content, supports all forms of entertainment and provides sharper colors and figures when gaming. The device's high-quality metal housing lends it elegance and makes it pleasant to hold. The Galaxy A55 5G is available in the trendy colors of Awesome Iceblue, Awesome Navy, Awesome Lemon and Awesome Lilac.

Awesome Camera

The triple camera lets you take spectacular pictures in a wide range of scenarios. The 50 MP main camera, with its optical image stabilization, can take sharp pictures and stable videos even in low light. Furthermore, with the ultra-wide-angle lens and macro lens you can take impressive landscape photos and close-up shots. The high-resolution 32 MP front camera lets you take the best selfies.

Awesome Performance

The 5000 mAh battery enables you to keep going all day long. Thanks to its 25W fast charging function, the Galaxy A55 5G can be recharged in no time. Thanks to an improved vapor chamber cooling system, the smartphone stays cool and at peak performance even during demanding tasks. It is also certified water- and dust-resistant to IP67 standard. The device is also optimally equipped in terms of security, protected with Samsung Knox.
